TEACHING PARENTS HOW TO TEACH

We are very proud to offer through our store, TEACHING PARENTS HOW TO TEACH written by Jill & David Whitehouse. This book has been created to give every parent the confidence and knowledge to help their child in the early stages of learning. Starting with explanations of terms like “multi-sensorial” and “concrete learning”, this book will take you through gross and fine motor development, language arts and math skills. Many of the essentials you need to transition your child from the pure play activities of pre-kindergarten and help you support your child up to the grade two level. Beautifully presented, full colour pages ~ Early Minds Education \$29.99 each
